Users

This sub module deals with adding multiple users to the software

Academics

This sub Modules deals with adding academic year to SFM software, user can add multiple years as academic year but at a time only ONE value is set as ACTIVE Academic year.

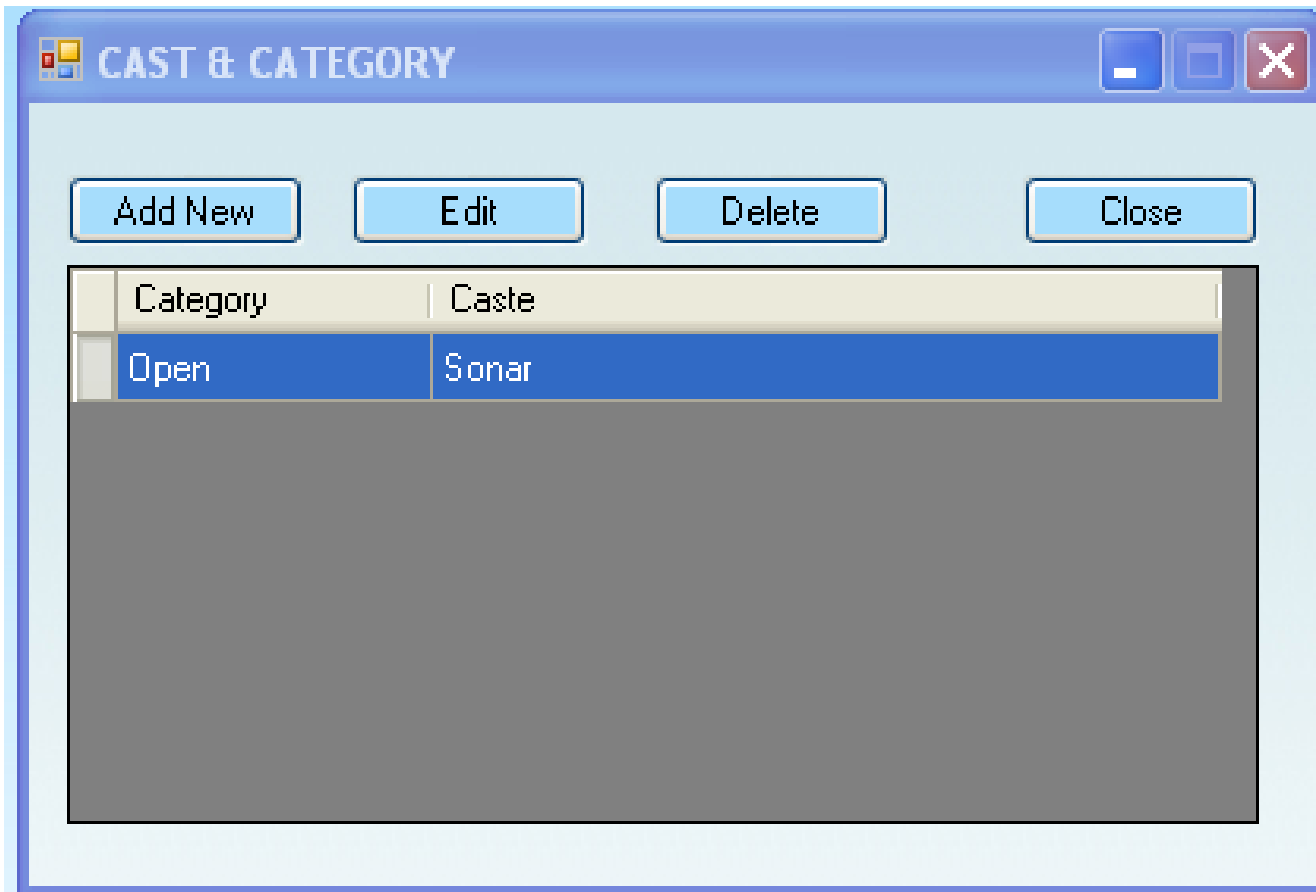

The screenshot shows a software window titled "ACADEMIC YEAR". At the top, there is a dropdown menu for "Active Academic" currently set to "2012-13". Below this are three buttons: "Set Active", "Add New", and "Close". The main area contains a table with the following data:

Academic	From	To	Active
2011-12	01/06/2011	31/05/2012	<input type="checkbox"/>
2012-13	01/06/2012	31/05/2013	<input checked="" type="checkbox"/>
2013-14	01/06/2013	31/05/2014	<input type="checkbox"/>

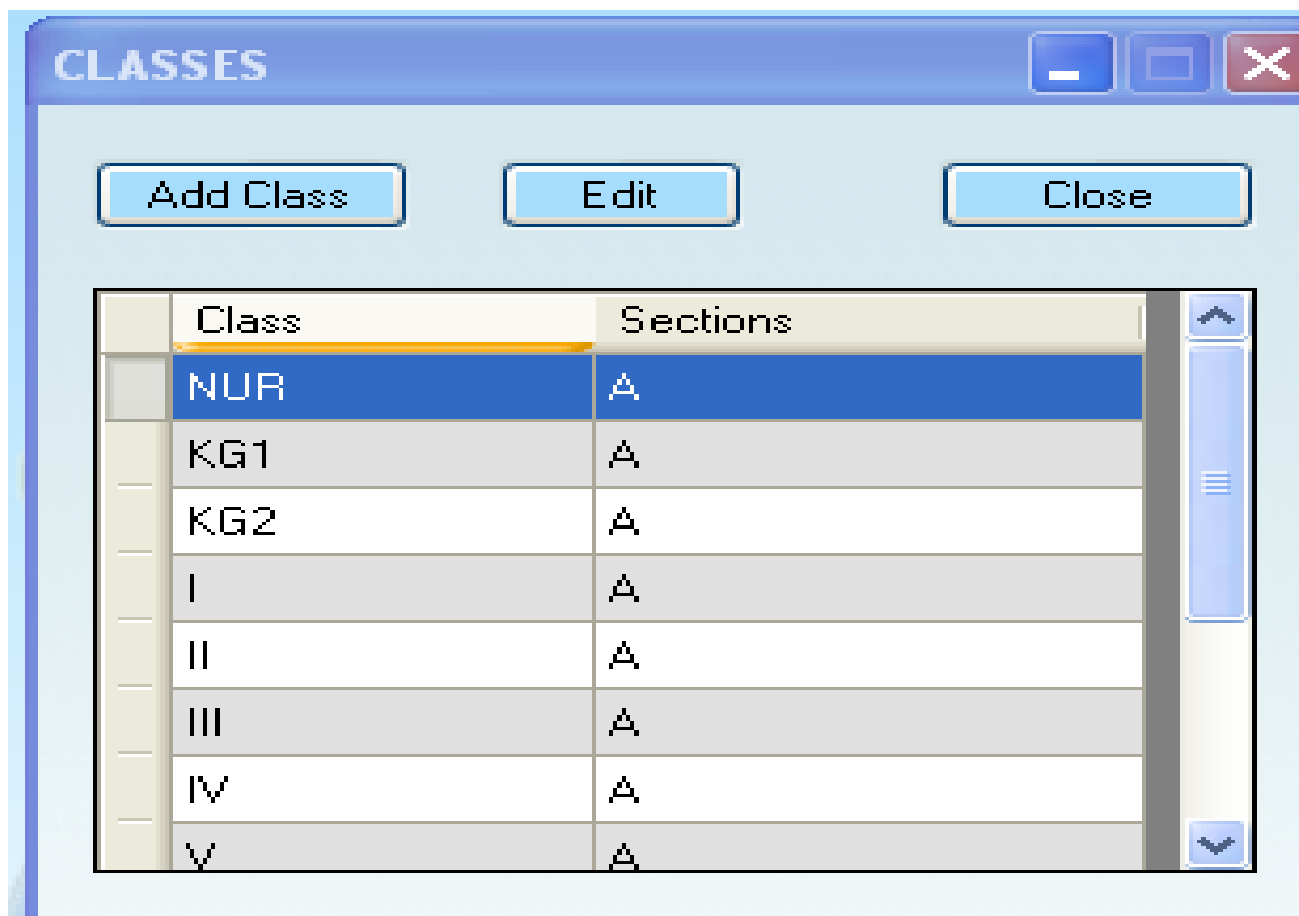

Castes And Category

This sub module deals with adding categories like OBC, SC, ST, SBC, and GEN to the SFM software. Along with categories user is allowed to add casts to respective categories with both update and delete facilities.

Classes

This sub Module deals with adding classes and sections to respective classes. Also provides facility of updating sections added to classes.
